

OUR INITIATIVES TO PROTECT THE ENVIRONMENT

We have cleaned and disinfected your room with environmentally friendly products and using a cleaner emitting 180° dry steam.

All our lamps are equipped with low-energy bulbs :

- Our bed linen and towels are cleaned by a company located in Charente Maritime which has implemented:
- Low temperature washing processes
- Product dosing units
- Optimized water management
- An employee awareness program on energy savings

Our faucets are equipped with water savers.

Our flushes are equipped with the 1/2 flush function.

Our breakfast buffet is composed of locally produced or homemade products from local products.

At the bar level we have chosen to offer mainly drinks produced in Charente Maritime.

AS OUR CUSTOMERS HELP US PROTECT THE ENVIRONMENT

75% of the people who have occupied this room before you have agreed to participate in our new environmental protection initiative.

They made sure to turn off their light when they went out.

They asked for their room to be cleaned and bed linen changed only if necessary.

You can also join them, you will protect the environment.

AS OUR CUSTOMERS HELP US PROTECT THE ENVIRONMENT

75% of the people who occupied this room before you have agreed to participate in our new environmental protection initiative

They used their towels several times

You can join them by reusing your towels during your stay you protect the environment

Our Roca Fortis hotel in Rochefort is committed to a concrete eco-responsible approach, in order to reduce our impact on nature, preserve natural resources and limit pollution for sustainable development.

Our objectives are simple to implement:

- We save energy and water
- We reduce our waste production and recycle it.
- We collect your waste for recycling
- We improve the local environment
- We favor short circuits

We are happy to make you benefit from this advantage and have at your disposal the details of our approach in our documentation as well as at the reception. The information available in your room will help you understand some of the practices.

Presenting no constraint for you, they only serve the respect of our environment.

An environmental approach rooted in our values

For several months now, aware of the fragile balance of our planet and of our responsibilities, the hotel Roca Fortis has committed itself to a number of eco-responsible actions. We have implemented an active and preventive approach by common sense actions and eco-citizen gestures and different actions have already been carried out and many others are still to come.

Discover our eco responsibilities approach and our actions in favor of this environment

Waste management and recycling

- We organize the selective collection of our waste so that it is recycled : paper, newspaper and magazines, cardboard, glass, ink cartridges for printers and photocopier, batteries, plastics, metal including cans, textiles.
- Green waste is taken to the waste disposal center for composting by our local landscaper.
- All polluting, electronic and bulky waste is taken to the waste disposal center.
- We recycle Nespresso coffee capsules.

Technical control

- We carry out a self control of energy consumption (gas and electricity) and water.

Architecture and landscape

- We maintain and enhance the green space of our hotel.
- Green Waste is taken to the waste disposal center for composting by our local landscaper
- We buy our plants from a local nurseryman

Awareness and training

- The entire staff has participated at least once during the year in an awareness meeting on our policy of taking the environment into account
- We inform our guest of the actions carried out in favor of the environment

Energy savings

- Our lights are equipped with low consumption LED bulbs.
- Our hand showers and washbasin mixers are equipped with flow reducers, the flushes are equipped with dual flushes.

A step towards the future: bike welcome

- Provision of rental bicycles for our customers
- Bike storage available
- Electric bicycle battery charging sockets

Short circuit work

- Our breakfast consists of products prepared by us (jams, brioches, cakes...) or by local artisans (farmer), Toublanc Bakery in Rochefort, La Belle Meat Butcher in Rochefort, Brasserie Bastard in 17180 Périgny (craft beer and lemonade), Estatedes Claires in 17530 Arvert (wines, pineau and cognac), etc.
- We highlight the homemade: preparation of homemade jams over seasonal, brioche, cookies, galette charentaise, cakes, madeleines
